The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. As a result, federal, state, and local governments and federal and state agencies recommend social distancing, sanitation and have, in many cases, prohibited the congregation of groups of people. Even with the allowed resumption of recreational activities, requirements intended to prevent the spread of COVID-19 must be followed. Please refer to and all referenced [Directives https://nvhealthresponse.nv.gov/news-resources/govemor-directives-and-declarations/](https://nvhealthresponse.nv.gov/news-resources/govemor-directives-and-declarations/) to ensure you are complying with all recommended guidelines.
